Extended Warranty Coverage Terms

Plan: Powertrain Plus. Coverage begins on the sale date and expires at 60 months or 75,000 total odometer miles, whichever occurs first. Covered components include engine internals, transmission/transaxle, drive axle assembly, turbocharger/supercharger, electrical charging system, and factory-installed air conditioning compressor. A \$100 deductible applies per repair visit. Coverage excludes routine maintenance, wear items (brake pads, wiper blades, tires), cosmetic damage, and any failure resulting from lack of documented maintenance, off-road use, racing, or unauthorized modification.

Claims must be authorized in advance by the warranty administrator (1-888-555-0173) and performed at a licensed repair facility. Transferable to a subsequent private-party owner for a \$50 transfer fee within 30 days of sale. This certificate does not extend or replace the manufacturer's original warranty.

Buyer's Acknowledgement
